

## New Brunswick Professional Forester Achievement Award Nomination Form

The “New Brunswick Professional Forester Achievement Award” is presented annually to recognize the outstanding achievement of an individual member of the Association of Registered Professional Foresters of New Brunswick (ARPFNB). The Award recognizes the contribution made by an RPF to the sustainable management of New Brunswick’s forests. An RPF or any member of the public can place a nomination. The Award is presented in March during the AGM, or if it applies, at a special meeting of the forestry community.
