

AV Group is an exciting and innovative company that is backed by world class strength, the Aditya Birla Group (ABG), a 55 billion \$US corporation in the League of Fortune 500 companies. With operations in 36 countries, the Group is anchored by an extraordinary force of over 136,000 employees, belonging to 42 different nationalities. Over 60 per cent of its revenues flow from its overseas operations. As a member of The Aditya Birla Group based in India, our mandate is to produce specialty pulp products to service the textile industry. Consequently, we offer professional challenges in a range of disciplines to assist us to grow and operate. AV Group offers outstanding career opportunities as well as the chance to be a part of a developing team.

AV Group is currently recruiting for a **Fibre Flow Manager – Woodlands Division**.

Role Overview

Reporting to the Woodlands Manager, the successful candidate will be responsible for implementing and managing timber flows across our NB operations, including purchasing raw materials for two company owned pulp mills and managing third part sales from our harvesting operations.

Responsibilities associated to this role include, but are not limited to:

- Manage all aspects of the residual fiber and purchase wood requirements including sourcing, negotiations, delivery schedules and contract management.
- Manage all outside sales agreements of timber products from our woodlands operations including contract management, delivery schedule and negotiations.
- Provide the leadership required to foster an environment of continuous improvement across the operation

Candidate qualifications:

- 5-10 Years progressive experience
- Proven ability to deliver results
- Promote and support all safety and environmental initiatives when performing roles and responsibilities
- Must possess excellent communication, interpersonal and negotiation skills
- Is an energetic, enthusiastic, and team oriented individual
- Strong understanding of the forest industry and wood flows in Eastern Canada
- Exceptional organization, decision making and problem solving abilities.
- Computer skills (MSOffice)
- Bilingualism will be considered an asset
